WHAT'S NEW

HOT LOOKS: KMART'S affordable new range of winter homewares hit stores earlier this week, featuring a stylish selection of pieces fit for every room in the home. Prepare for the cooler months and keep your home toasty warm with luxurious ombre faux fur cushions (\$12) and throws (\$25) and designer-look blankets (starting at \$20), alongside electric blankets and heaters to banish the chill. Give each room a complete update for less with quality statement furniture in moody palettes and natural wood for an urban Scandinavian look. Top picks include the rocking chair (\$55), faux-leather ottoman (\$35) and industrial entertainment unit (\$55).

SWEET TREAT: To celebrate Coeliac Awareness Week (May 16 – 22) GFTreets is launching its new six-pack of Cinnamon Sugar Coated Donuts. This sweet treat is available from the freezer section at selected supermarkets and speciality stores. \$8.99.
